

MEMORANDUM

TO: Valued STAR and CHIP Providers
FROM: El Paso Health
DATE: 08/14/2024
RE: COVID-19 Vaccine and Vaccine Administration Medicaid and CHIP Updates Effective October 1, 2024

Effective for dates of service on or after October 1, 2024, some COVID-19 vaccine and vaccine administration procedure code benefits will change for Texas Medicaid and CHIP. These changes reflect the ending of certain American Rescue Plan Act of 2021 health care coverage provisions on September 30, 2024

The following COVID-19 vaccine and administration procedure codes will no longer be reimbursed to home health agency providers:

Procedure Codes						
90480	91318	91319	91320	91321	91322	91304
M0201
