**RE:** The Certified Family Partner (CFP) Services New Medicaid Benefit Effective March 1, 2025

Effective for dates of service on or after March 1, 2025, CFP services, also referred to as family partner support services or family peer support services, will be a benefit of Texas Medicaid for parents (birth, adoptive, and foster), legally authorized representatives (LARs), or primary caregivers of a Medicaid-eligible child or youth (20 years of age and younger) who is diagnosed with a serious emotional disturbance (SED) or a mental health or substance use condition, as defined in the current edition of the American Psychiatric Association's (APA's Diagnostic and Statistical Manual of Mental Disorders (DSM) and who has CFP services included as a component in their person-centered and trauma-informed recovery plan (henceforth, referred to as the plan of care).

CFP services are an array of formal and informal services and supports that include the following:

- Introducing parents, LARs or primary caregivers to the mental health and substance use system
- Modeling advocacy skills
- Providing education and information
- Making referrals
- Providing skills training
- Assisting in identifying supports
- Conducting support groups
- Helping with navigating systems, such as the juvenile justice system, child protective services, and independent school districts

CFP services are provided directly to the parents, LARs or primary caregivers, not to the Medicaid-eligible child or youth.

CFP services may be provided in the office, home, outpatient hospital, and "other location" settings. CFP services may also be provided by telehealth if certain conditions are met.

CFP services may be delivered as part of a coordinated, comprehensive and individualized approach to treating a Medicaid-eligible child's or youth's SED

or mental health or substance use condition. CFPs may not submit claims directly to Texas Medicaid for services. CFPs must be employed by one of the following Medicaid-enrolled provider types that may submit claims for the CFP services rendered:

- Clinic and group practices treating behavioral health conditions
- Physicians, advanced practice registered nurses, and physician assistants treating behavioral health conditions
- Licensed psychologists, licensed clinical social workers, licensed marriage and family therapists, and licensed professional counselors
- Comprehensive provider agencies of mental health targeted case management and mental health rehabilitative services
- Local mental health or behavioral health authorities (LMHAs or LBHAs)
- Chemical dependency treatment facilities
- Federally qualified health centers
- Rural health clinics
- Opioid treatment providers

### **Claim Submission Guidelines:**

CFP services must be included in the plan of care for the Medicaid-eligible child or youth to be reimbursed.

A billable unit of CFP services (procedure code S9482) is 15 minutes of continuous contract.

The following modifiers may be submitted with procedure code S9482:

<b>Modifier</b>	<b>Use For</b>
95	Delivered by synchronous audiovisual technology
FQ	Delivered by synchronous audio-only technology
HE	Mental health program
HF	Substance use program
HQ	Group-delivered services

### **Prior Authorization:**

Prior Authorization is not required for the first 104 Units (26 hours) of CFP services in a rolling six-month period.

Prior authorization is required once the 104 units (26 hours) of CFP services (individual or group) in a rolling six-month period is exceeded.
