

Payer Identifications

In order to make the billing process more convenient for all participating providers, El Paso Health has signed an agreement for services with Availity and Trizetto Provider Solutions (TPS).

Availity and TPS are available to all providers and their billing agents in the El Paso healthcare community. Availity and TPS are a central clearinghouse enabling physicians, hospitals and ancillary providers to file patient claims electronically to El Paso Health. Filing electronic claims directly to a clearinghouse will allow you to reduce administrative costs, accelerate claims payments, increase accuracy and simplify daily administration.

El Paso Health has provided you with the Payer Identification grid below for your convenience:

Availity/TPS Payer Identifications

El Paso First Health Plans Premier Plan STAR Medicaid HMO	EPF02
El Paso First Health STAR+PLUS	EPF02
El Paso First Health Plans CHIP	EPF03
El Paso First Health Plan HCO Healthcare Options	EPF37
Preferred Administrators	EPF10
Preferred Administrators Children's Hospital	EPF11

If you are using a clearinghouse other than Availity or TPS, your clearinghouse should provide you with their Payer Identifications and they will direct all claims through Availity or TPS to El Paso Health. Please contact the Provider Relations Department at 915-532-3778 should you have any questions.

Please note: Approval is not required for electronic data interchange (837) transactions.
